

Best and Fairest Award

These awards were introduced for the Under 9, Under 11, Under 13 and Under 15 grades in the 1999 season.

Due to a restricted competition in Under 15's in season 1999 only two (2) medals were awarded.

These awards recognise players who demonstrate not only a high level of skill for their age group, but importantly, play football fairly and in line with the League's objectives.

In addition to the three individual best and fairest awards, the top 22 players for the season in each grade are named in a Team of the Year.

In 2006, the League changed the competition grades to Under 8, Under 9, Under 10, Under 11, Under 12, Under 13, Under 14 and Under 16.

However as part of the League's alignment with the SANFL, Under 8 to Under 10 grades will not play for premiership points, final series games will not be played and the best and fairest medals will not be awarded.

In 2007 the Clubs voted to add Under 15 and Under 17 to the League giving us ten (10) teams with six (6) teams playing for premiership points.

In 2009 the Clubs voted to drop Under 17 and add Under 16.5, the Clubs also voted to lock in the all grades from Under 8 through to Under 16.5 inclusive for the next five (5) years.

Best and Fairest Medal Winners 1999.
