

WEST ADELAIDE FOOTBALL CLUB

The West Adelaide Football Club is seeking the services of families / people who have room and are interested in hosting young talented footballers who are relocating from country area's to finish schooling and be involved within the West Adelaide Football Club Under 18 Centre's of Excellence football programs.

We are currently seeking housing for three fine young men, two of which are enrolled to complete year 12 & one year 11 at Henley High School in 2009.

From Waikerie in the River land and Pinnaroo in the Mallee these three young men are committed to their schooling and also their football opportunities.

Rent assistance will be provided by the West Adelaide Football Club along with support of each individual to ensure these athletes are suitably situated.

The West Adelaide Football Club has a strong association with the Metro South Junior Football League and we see this venture as a great opportunity for sporting families to assist and become involved within a football club renowned for its junior development of footballers and its commitment to providing the most talented footballers the best chance to play at senior SANFL or AFL level.

Our close working relationships with the majority of MSJFL clubs continues to grow. We are proud of our history and we are looking to a brighter future.

We are continually working to provide the best facility to footballers striving to play at the highest level and the support of families & parents is vital to our improvement.

For further information regarding hosting footballers in a strong family environment please direct all enquiries to,

Simon Hughes – Talent Manager, West Adelaide Football Club.
